OBJECTIVE

I'm looking for full-time work in the role of Designer in the IT and telecommunications industry.

PERSONAL STATEMENT

As a passionate web designer with a strong foundation in HTML, CSS, JavaScript, and UX/UI design, I have created responsive, visually appealing websites that enhance user experience. I thrive in fast-paced environments and stay up to date with the latest web design trends. I'm excited about the opportunity to contribute my skills to Metropolitan Premium Properties.

- Web Development: HTML, CSS, JavaScript, and web frameworks (React, Angular, Vue.js).
- Design: Figma , Adobe Creative Suite (Photoshop, Illustrator, InDesign) , Word Press.

PERSONAL SKILLS

Communication

I am a strong communicator, able to clearly convey my thoughts and ideas, while also being an active listener.

Leadership

Leadership is a quality I naturally exhibit. I take initiative when needed, motivating and guiding teams toward achieving goals, and ensuring that everyone feels valued in the process.

Work Ethic

I have a solid work ethic, demonstrated through my dedication, reliability, and the responsibility I bring to every task I undertake.

Attention to Detail

I have a keen eye for detail, ensuring that all work is completed with precision and accuracy. I approach every task with thoroughness, striving for excellence in everything I do.

Creativity

One of my core strengths, as I enjoy thinking outside the box to find new approaches and ideas that improve processes or solve problems.
